

South Dakota Chapter

South Dakota Safety Council Continuing Education – Spring 2010

Updated 4/30/10 – New dates for some courses.

NFPA 70E – Electrical Safety & Arc Flash

OSHA can enforce the NFPA 70E standard for electrical work practices and PPE under 1910.333 and .335. This workshop provides an overview of the 70E safe work practices for maintenance staff.

Sioux Falls May 13
Member fee: \$145

South Dakota Workplace Safety Certificate

Three full-day courses that provide a firm foundation for the new safety director, committee member or supervisor.

Sioux Falls dates:

Occupational Safety June 23
Occupational Health June 24
Occupational Loss Control June 25

Member price, per course: \$125; attend all three classes for \$300.

OSHA 30-hour for General Industry

If you're responsible for OSHA compliance, you need a thorough understanding of the OSHA 1910 regulations. This class covers all the major standards and teaches you to find the answers to your compliance questions.

Sioux Falls June 8-11
Member fee: \$495

OSHA Recordkeeping

Proper recording of injuries and illnesses on the OSHA 300 log and related forms are one of OSHA's enforcement emphasis areas for 2010. You'll leave this half-day session able to make recordkeeping determinations accurately.

Watertown June 16
Member fee: \$95
